The contractor just sent me this. So this is going to be accurate for their costs.

The total cost is on the signature page.

  Subject: FINAL 55 for Southwest Rice Mill

Hi Greg,

Attached is an original 1900-55 for Southwest Rice Mill dated 9/30/11. While performing our internal final site audit, we found several hotel charges that needed to be corrected and a few duplicate entries. This resulted in a credit back to the 1900-55s for $665.23. Please review and approve at your earliest convenience.

Thanks!

Tammy Engel
